All you punks shut the f**k up
Shut the f**k up, I said shut the f**k up
All you punks step the f**k back
Step the f**k back, yeah step the f**k back
Oh you like that don't ya
I know you like that don't ya
Well like what you like, cause lynn liked his life
I said lynn liked his life

You don't know what you got until it's gone
And you don't know what you lost until it's gone
Bring it...

All you punks shut the f**k up
Shut the f**k up, I said shut the f**k up
All you punks step the f**k back
Step the f**k back, yeah step the f**k back
Oh you like that don't ya
I know you like that don't ya
Well like what you like, cause lynn liked his life motherf**ker
I said lynn liked his life

You don't know what you got until it's gone
And you don't know what you lost until it's gone
Until someone you know goes away and dies
They're gone
They're gone
They're gone
They're gone forever...

Every second your alive is just a countdown
Every second your alive is just a countdown

My life, your life, his life, their life, it's so temporary...

You don't know what you got until it's gone
And you don't know what you lost until it's gone
Until someone you know goes away and dies
They're gone
They're gone
They're gone
They're gone forever...
