It's so f**ked I am here doing this
It's bullshit, things don't end like this

I'm calling
Staring into the place
Where I cease to exist
Wondering why do,
Things always end up like this

Fly
Take to the sky another dream
Of empty
Lies
Of promises denied by a forgiving
You f**kin'
Fraud
My belief was betrayed I lost my
Faith in you
Try
To understand the sorrow and the
Why
Of a light that should still be burning
Bright
The angel in flight with a dog by his
Side
When you took him away I lost my faith
In even you!

It's so f**ked I am here doing this
It's bullshit, things don't end like this

I'm calling
Staring into the place
Where I cease to exist
Wondering why do,
Things always end up like this

Fly
Take to the sky another dream
Of empty
Lies
Of promises denied by a forgiving
You f**kin'
Fraud
My belief was betrayed I lost my
Faith in you
Try
To understand the sorrow and the
Why
Of a light that should still be burning
Bright
The angel in flight with a dog by his
Side

When you took him away I lost my faith
In even you!

As I feel emptiness growing in my heart
I can't help but scream at you hating you
I bet you think it's funny
You give us a gift and then you take it back
