

James Morrison, Better Man

There was a time
I had nothing to give
I needed shelter from the storm I was in
And when it all got too heavy
You carried my weight
And I want to hold you
And I want to say

That you are all that I need
For you, I give my soul to keep
You see me, love me
Just the way I am
For you I am a better man
I said you are the reason
For everything that I do
I'd be lost, so lost, without you

Under the stars
At the edge of the sea
There's no one around
No one but you and me
We'd talk for hours
As time drifts away
I could stay here for ever
And hold you this way
