

# James Morrison, If You Don't Wanna Love Me

When you lower me down,  
So deep that I  
I can't get out  
And when you'r lost, lost and alone,  
Yes you'd think it was a liars place,  
You'd come back for more  
If you don't want me to leave,  
Then don't push me away,  
Rather blow out the lights you can watch it all fade  
But I'm going nowhere

I'm gonna stay  
When you just wanna fight  
When you'r closing you'r eyes  
'Coz you don't wanna love me  
I'm gonna stay  
You can't push me too far  
Theres no space in my heart  
Where I don't wanna love you

And when theres no,no storm,  
and how can I, feel the calm,  
If theres nothin', nothin', nothin left to lose,  
Then what is this feelin that keeps on bringin me back to you,

So i'm gonna stay,  
when you just wanna fight and ur closin' your eyes 'coz you dont wanna love me,  
said i'm gonna stay oh yes i will,  
you cant push me too far theres no place in my heart,  
where i dont wanna love you.
