

James Morrison, Up (ft. Jessie J)

How can I find you
When you're always hiding from yourself
Playing hide and seek with me
Till it gets too dark
Too dark, inside your shell
Why do I even try
When you take me for granted?
I should know better by now
When you call I already hear that crashing sound
As it all falls down

it's never too late to turn it back around
I know you can
don't buy your demos deep in the ground
when It all fall down
the only way is up, up
the only way is up, up

I watch your spirit break
as it shatters into a million pieces
just like glass I see right through you
and your parade of excuses
feels like groundhog day
you say the same things over and over
there's that look in your eye
and I hear that crashing sound
as it all falls down

it's never too late to turn it back around
I know you can
don't buy your demos deep in the ground
when It all fall down
the only way is up, up
the only way is up, up

it's never too late to turn it back around
I know you can
don't buy your demos deep in the ground
when It all fall down
the only way is up, up
the only way is up, up
it's never too late to turn it back around
I know you can
don't buy your demos deep in the ground
when It all fall down
the only way is up, up
the only way is up, up
