

# James Morrison, Wonderful World

I've been down so low  
People look at me and they know  
They can tell something is wrong  
Like I don't belong

Staring through a window  
Standing outside, they're just too happy to care tonight  
I want to be like them  
But I'll mess it up again

I tripped on my way in  
And got kicked outside, everybody saw...

And I know that it's a wonderful world  
But I can't feel it right now  
Well I thought that I was doing well  
But I just want to cry now  
Well I know that it's a wonderful world  
From the sky down to the sea  
But I can only see it when you're here, here with me

Sometimes I feel so full of love  
It just comes spilling out  
It's uncomfortable to see  
I give it away so easily  
But if I had someone I would do anything  
I'd never, never, ever let you feel alone  
I won't I won't leave you, on your own

But who am I to dream?  
Dreams are for fools, they let you down...

And I know that it's a wonderful world  
But I can't feel it right now  
Well I thought that I was doing well  
But I just want to cry now  
Well I know that it's a wonderful world  
From the sky down to the sea  
But I can only see it when you're here, here with me

And I wish that I could make it better  
I'd give anything for you to call me, or maybe just a little letter  
Oh, we could start again

And I know that it's a wonderful world  
But I can't feel it right now  
Well I thought that I was doing well  
But I just want to cry now  
Well I know that it's a wonderful world  
From the sky down to the sea  
But I can only see it when you're here, here with me

And I know that it's a wonderful world  
I can't feel it right now  
I got all the right clothes to wear  
I just want to cry now  
Well I know that it's a wonderful world  
From the sky down to the sea  
But I can only see it when you're here, here with me

And I know that it's a wonderful world  
When you're with me
