

# James Morrison, You Give Me Something

You only stay with me in the morning  
You only hold me when I sleep  
I was meant to tread the water  
But now I've gotten in too deep

For every piece of me that wants you  
Another piece backs away

You give me something  
That makes me scared alright  
This could be nothing  
But I'm willing to give it a try  
Please give me something  
Because someday I might know my heart

You only waited up for hours  
Just to spend a little time alone with me  
And I can say I've never bought you flowers  
I can't work out what they mean

I never thought that I'd love someone  
That was someone else's dream

You give me something  
That makes me scared alright  
This could be nothing  
But I'm willing to give it a try  
Please give me something  
Because someday I might call you from my heart

But it might be a second too late  
And the words that I could never say  
Are gonna come out anyway

You give me something  
That makes me scared alright  
This could be nothing  
But I'm willing to give it a try  
Please give me something

You give me something  
That makes me scared alright  
This could be nothing  
But I'm willing to give it a try  
Please give me something  
Because someday I might know my heart

Know my heart, know my heart, know my heart
