

# James Oliver, The Distance

The distance  
(oliver james)

The sky has lost its color  
The sun has turned to gray  
At least that's how it feels to me  
Whenever you're away

I crawl up in the corner  
To watch the minutes pass  
Each one brings me closer to  
The time you're coming back

(chorus)  
I can't take the distance  
I can't take the miles  
I can't take the time until I next see you smile  
I can't take the distance  
And I'm not ashamed  
That with every breath I take I'm calling your name  
I can't take the distance

I still believe my feelings  
But sometimes I feel too much  
I make believe you're close to me  
But it ain't close enough  
Not nearly close enough

(chorus)  
I can't take the distance  
I can't take the miles  
I can't take the time until I next see you smile  
I can't take the distance  
And I'm not ashamed  
That with every breath I take I'm calling your name

I'd breathe fire and I'd be free  
To be by your side, I'd do anything  
I can't take the distance

I will go the distance  
I will go the miles  
That's how much you mean to me

(chorus)  
I can't take the distance  
I can't take the miles  
I can't take the time until I next see you smile  
I can't take the distance  
And I'm not ashamed  
That with every breath I take I'm calling your name  
I can't take the distance
