

James Oliver, The Ride Of Your Life

wishing on a shooting star
But dreams alone won't get you far
cant deny your feeling anymore
the world is waiting right outside your door
what are you waiting for
come on heres your chance
dont let it slip right through your hands
are you ready for the ride of your life
your dreams arive on the wind
just reach out and pull them in
get ready for the ride of your life
the ride of your life
in your heart you know what you must do
you only got yourself to answer to
dont let fear of falling hold you down
your spirts flying high above the clouds
you go right there
come on heres your chance
dont let it slip right through your hands
are you ready for the ride of your life
your dreams arive on the wind

just reach out and pull them in
get ready for the ride of your life
your on your way no looking back
and theres no future living in the past
your free at last
yeah yeah yeah
your free at last
come on heres your chance
dont let it slip right through your hands
are you ready for the ride of your life
your dreams arive on the wind
just reach out and pull them in
get ready for the ride of your life
the ride of your life
come on
come on
get ready
yeah yeah yeah
your dreams arvie on the wind
just reach out and pull them in
get ready for the ride of your life
