

# James, Sit Down (1989 Version)

Now I'm relieved to hear  
That you've been to some far-out places  
It's hard to carry on  
When you feel all alone  
The wisdom that I seek  
Has been found in the strangest cases  
Feels a lot like love  
That I feel for you

Drawn by the undertow  
My life is out of control  
I believe this wave will bear my weight  
So let it flow

Oh sit down  
Oh sit down  
Oh sit down  
Sit down next to me  
Sit down, down, down, down, down  
In sympathy

Swing from high to deep  
Extremes of sweet and sour  
Hope that God exists  
I hope I pray  
Now I've swung back down again  
It's worse than it was before  
If I hadn't seen such riches  
I could live with being poor

Oh sit down  
Oh sit down  
Oh sit down  
Sit down next to me  
Sit down, down, down, down, down  
In sympathy

Those who feel the breath of sadness  
Sit down next to me  
Those who find they're touched by madness  
Sit down next to me  
Those who find themselves ridiculous  
Sit down next to me  
In love, in fear, in hate, in tears  
In love, in fear, in hate

Oh sit down  
Oh sit down  
Oh sit down  
Sit down next to me  
Sit down, down, down, down, down  
In sympathy

Oh sit down  
Oh sit down  
Oh sit down  
Sit down next to me  
Sit down, down, down, down, down  
In sympathy

Sit down, sit down, sit down, sit down  
Sit down next to me
