

James Taylor, (I'm A) Road Runner

Money, who needs it,
Let me live my life free and easy,
Put my toothbrush in my hand,
And let me be a travelin' man
Road runner, baby

'Cause I'm a road runner, baby.
Can't stay in one place too long,
Yes I'm a road runner baby,
You might look at me and I'll be gone.

And you can love me if you want to,
Yeah but I do declare, (I declare)
When I'm gettin' restless, yeah
You know I got to move somewhere

'Cause I'm a road runner, baby
Any where's my home round,
And love the life I live,
And I'm gonna live the life I love
Road runner, yeah.

Don't want no woman to tie me down,
Got to be free, baby free
To roam around.
All my life I've been like this,
And you can love me at your own risk,

When the dust hit my shoe,
Umm, I got the urge to move
Said I'm a road runner baby,
Got to keep on keepin on.
Live the life I love,
I'm gonna love the life I live
Road runner, yeah.

Yeah, oh

(He's a road runner baby)
They say I'm a road runner baby
(He's a road runner baby)
Heard that, I'm goin' on to hell
(He's a road runner baby)
I'm a road runner, baby
I'm a road runner, yes I am
(He's a road runner baby)
Yes, here we go . . .
