James, Whoops

Oh lord I tried I have tried So damn hard to fit in I've worn away my edges and I'm looking mighty thin Whoops-a-daisy don't trip that wire Whoops-a-daisy don't touch that wire Whoops-a-daisy Whoops-a-daisy Whoops I know all your soft spots They're the same soft spots that are in me If you keep on scratching They will flare up suddenly

Whoops-a-daisy don't touch that wire Whoops-a-daisy don't touch that wire

Whoops-a-daisy don't touch that wire Whoops-a-daisy

Whoops a daisy Whoops Whoops

Whoops-a-daisy

Whoop, whoop, whoops

Don't touch that wire Don't touch that wire Don't touch that wire Don't touch that wire Don't touch that wire
