

Jamie Cullum, Devil May Care

No cares for me im happy as i can be
I learned to love and to live
Devil may care
No cares for woes whatever comes later goes
Thats how i'll take and i'll give
Devil may care

When the day is through i suffer no regrets
I know that he who frets loses the night
For only a fool thinks he can hold back the doe
He who is wise never tries to revise whats past and gone

Live, love today and come tomorrow what may
Dont even stop for a sigh it doesnt help if you cry
Thats how i'll live and i'll die
Devil may care
Devil may care
Devil may care

When the day is through i suffer no regrets
I know that he who frets loses the night
For only a fool thinks he can hold back the doe
He who is wise never tries to revise whats past and gone

Live, love today and come tomorrow what may
Dont even stop for a sigh it doesnt help if you cry
Thats how i'll live and i'll die
Devil may care
Devil may care
Devil may care
Devil may care
