Jamie Cullum, Devil May Care

No cares for me im happy as i can be I learned to love and to live Devil may care
No cares for woes whatever comes later goes Thats how i'll take and i'll give Devil may care

When the day is through i suffer no regrets
I know that he who frets loses the night
For only a fool thinks he can hold back the doe
He who is wise never tries to revise whats past and gone

Live, love today and come tomorrow what may Dont even stop for a sigh it doesnt help if you cry Thats how i'll live and i'll die Devil may care Devil may care Devil may care

When the day is through i suffer no regrets I know that he who frets loses the night For only a fool thinks he can hold back the doe He who is wise never tries to revise whats past and gone
