

Jamie Cullum, Everlasting Love

Hearts gone astray
Deep in her when they go
I went away
Just when you needed me so
You won't regret
I'll come back begging you
Won't you forget
Welcome love we once knew

Open up your eyes
Then you'll realize
Here I stand with my
Everlasting love

Need you by my side
Girl to be my bride
Never be denied
Everlasting love

Hearts gone astray
Deep in her when they go
I went away
Just when you needed me so
You won't regret
I'll come back begging you
Won't you forget
Welcome love we once knew

Open up your eyes
Then you'll realize
Here I stand with my
Everlasting love

Need you by my side
Girl to be my bride
Never be denied
Everlasting love

From the very start
Open up your heart
Feel that you're falling
Everlasting love

Need a love to last forever
Need a love to last forever
Need a love to last forever
Need a love to last forever

I Need a love to last forever
