

Jamie Cullum, I Get The Sweetest Feeling

The closer you get
The better you look baby
The better you look
The more I want you

When you turn on your smile
I feel my heart go wild
I'm like a child with a brand new toy

And I get the sweetest feeling
Honey the sweetest (sweetest feeling)
Oh honey the sweetest (sweetest feeling)
Loving you

The warmer your kiss
The deeper you touch me baby
The deeper you touch
The more you thrill me

It's more than I can stand
Girl, when you hold my hand
I feel so grand that I could cry

And I get the (sweetest feeling)
Honey the sweetest (sweetest feeling)
Oh, honey the sweetest (sweetest feeling)
Loving you

The greater your love
The stronger you hold me baby
The stronger your hold
The more I need you

With every passing day
I love you more in every way
I'm in love
And I want to say

And I get the (sweetest feeling)
Oh, honey the sweetest (sweetest feeling)
Honey the sweetest (sweetest feeling)
Honey the... (sweetest feeling)
Oh honey the sweetest (sweetest feeling)
Repeat ad infinitum
