

# Jamie Cullum, These Are The Days

these are the days that i've been missing;  
give me the taste,  
give me the joy of summer wine.  
these are the days that bring new meaning;  
i feel the stillness of the sun  
and i feel fine.

sometimes when the nights are closing early  
i remember you and i start to smile.  
even though now you don't want to know me  
i get on by...  
and i go the extra mile.

these are the times of love and meaning;  
eyes of the heart melted away  
and found the light.  
these are the days of endless dreaming;  
troubles of life are floating away like a bird  
and flyin'.

these are the days.  
these are the days.  
these are the days.

i thought you said our love would last forever.  
believin' that the tears would end for good.  
i told them that we'd get though any weather.  
maybe that didn't work out  
but we did the best we could.

these are the days that i've been missing;  
give me the taste,  
give me the joy of summer wine.  
these are the days that bring new meaning;  
i feel the stillness of the sun  
and i feel fine.
