

# Jamie Cullum, What A Difference A Day Made

What a difference a day made, 24 little hours  
Bought the sun and the flowers, where there used to be rain  
My yesterday was blue dear  
Today I'm a part of you dear  
My lonely nights are through dear  
Since you said you were mine

And, what a difference a day made  
Theres a rainbow before me  
Skies above can be stormy  
Since that moment of bliss, that thrilling kiss  
It's heaven when you find romance on your menu  
What a difference a day made  
And the difference is you (is you)

My yesterday was blue dear  
Still I'm a part of you dear  
My lonely nights are through dear  
Since you said you were mine

Oh what a difference a day makes  
There's a rainbow before me  
Skies above can be stormy  
Since that moment of bliss, that thrilling kiss  
It's heaven when you find romance on your menu  
What a difference a day made  
And the difference is you (is you, is you)
