

Jamie Foxx, Wedding Vows

Well it's been 5 years,
Can't hold back my tears,
Cause I'm just so happy,
I'm marrying an angel today, ohhhh,
As I take your hand,
I pledge to be your man,
I vow to love,
To hold,
To cherish,
And never disrespect the love we share,
I'll be honest I can not lie,

There'll be real good days,
There'll be some bad times,
I'll be standing right beside you my sweet baby,
Me and the love of mine, ohhhhhh,
And you take this ring yeah,
And I place it on your sweet lovely hand,
We will show our kids,
They will tell their kids what mom and daddy did,
On the day I married my angel,
I love you my angel yeah
