

# Jamie Lidell, You Got Me Up

so many reasons to stick around  
just as many to go  
I guess I could see my days slippin on by  
but you got me up  
that's why I get up  
eh

no one else will call me  
to get me out of bed  
and no one else  
seems to work inside my head  
like you do  
and you do  
yeah you do  
yeah you  
do it daily  
you mmm  
do it daily  
you  
you're my cup of tea  
that's just how I like to be ye  
I just wanna thank you  
since you got me up  
since you got me up
