

# JAMIE LYNN HART, DOWN

I am tired  
Of expending the energy  
On something  
On someone  
Who doesn't prove the worthy  
It seems to me  
You don't even thing of anyone else  
But yourself  
So I refuse to  
I will not loose my sleep  
Over other things you never do

So, no, no, no, no  
You not gonna break me down  
You not gonna change my mood  
It seems like everyone you  
So, no, no, no, no  
You not gonna break me down!
