

JAMIE LYNN HART, DOWN

I am tired
Of expending the energy
On something
On someone
Who doesn't prove the worthy
It seems to me
You don't even think of anyone else
But yourself
So I refuse to
I will not lose my sleep
Over other things you never do

So, no, no, no, no
You not gonna break me down
You not gonna change my mood
It seems like everyone you
So, no, no, no, no
You not gonna break me down!
