

Jamie Meyer, Free As A Bird

wake up, the city is loud and you gotta go ahead
getting life, getting alive
haven't you heard you're free as a bird

slow down you never gonna notice what it's all about
you're way to busy chasing the sun
haven't you heard you're free as a bird
you're free as a bird (you're free as a bird)
you're free as a bird
you're free as a bird (you're free as a bird)
a bird on the ground

wrong take, no we always get a second chance to repeate, repeate
the same kind of mistake
you never learn
you're free as a bird

stand out, there's a making difference until there is no doubt
you don't need a clear blue sky
you never learn, you're free as a bird
hey!

you're free as a bird (you're free as a bird)
you're free as a bird
you're free as a bird (you're free as a bird)
a bird on the ground
oh yeah!

it's right here, you just have to follow the sun in you're mind
finally you can grow wings
haven't you heard, you're free as a bird
isn't this a fine day!?
oh yeah!
oh!

you're free as a bird (you're free as a bird)
you're free as a bird
you're free as a bird (you're free as a bird)
a bird on the ground
isn't this a fine day!?! (free as a bird) oh yeah!

you're free as a bird (free as a bird)
the city is loud
a bird on the ground

please stay(free as a bird)
isn't this a fine day!?!
