

Jamie Meyer, Gotta Go

Gotta' creepy feeling
it's been bugging me for days
ain't no way to shake it
but to tell you like it is straight to your face

I don't want to hurt you
but tell me is there any other way
don't wanna see you cry but
I just gotta' go get out today

I'm praying for a miracle right now

I really gotta' go
I got to go now
and I don't wanna waste more time
it was good, it was great, but it's gone and it's over
(I)don't want to live a lie
I really gotta' go

Don't want to talk about it
I don't wanna go for second best
everything or nothing
I'm taking my guitar and leave the rest
I'm taking back my life you keep the rest

I'm praying for a miracle right now

I really gotta' go
I got to go now
and I don't wanna waste more time
it was good, it was great, but it's gone and it's over
(I)don't want to live a lie
I really gotta' go
