

# Jamie Meyer, Iyeaho

Gather round  
gotta a pretty little story to tell  
I took a trip, caught a plane  
went through heaven and hell

I was doing pretty good  
making music, knock on wood  
til I happend to meet this girl named Leah

Yeooh yeooh  
I fell head over heals  
guess you know what it feels like  
Yeooh, Yeooh  
goofy little words  
love you baby like the birds love flying

So there I was  
jupin up and down  
kissing the sky  
(just like Jimmy said)

she was crazy I was lonely  
we were ready to try  
Every Thursday night  
she was working at the bar  
were I was playing  
crazy bout Leah

Yeooh yeooh  
I fell head over heals  
guess you know what it feels like  
Yeooh, Yeooh  
goofy little words  
love you baby like the birds love flying

like the birds love flying...
