

Jamie Meyer, Psycho

Here she comes
There she goes
What she wants
God only knows

Bad is good
Good is worse
Honestly
Shes my kind of curse

Kisses and lies
Hello's and godbyes
Takes me through pleasure n'pain
She drives me insane but

I cant get enough
I cant get enough
Im caught in the middle
My life is a riddle
They say she's a psycho, hey if its true
Does that mean im psycho too

Shes always on the tip of my tounge

Radical
Liberal
Beautiful
I come undone

Kisses and lies
Hello's and godbyes
Takes me through pleasure n'pain
Still i wont complain cause

Chorus

She's so cool so kind so reckless

Kisses and lies
Takes me through pleasure and pain
She's driving me insane

Chorus"
