

Jamie Miller, I Lost Myself In Loving You

They say
Time is always meant to heal the fall
Tell me
Why it doesn't seem to help at all

You're ok
I'm here trying to pick the pieces up
Of the old me
Before you said that I'm not enough

I'm trying to find the heart I lost
I'm trying to be who I once was
Missing parts of me all because, all because

I lost myself in loving you, in loving you
Became someone else I never knew,
I never knew
I was there when you needed saving
But you wouldn't do the same thing
I lost myself
I lost myself in loving you

It's sad
You ruined all my favorite things to do
Looking back
The only thing I'd change is you

I'm trying to find the heart I lost
I'm trying to be who I once was
Missing parts of me all because, all because

I lost myself in loving you, in loving you
Became someone else I never knew,
I never knew
I was there when you needed saving
But you wouldn't do the same thing
I lost myself
I lost myself in loving you

I lost myself in loving you
Became someone else I never knew,

I lost myself in loving you, in loving you
Became someone else I never knew,
I never knew
I was there when you needed saving
But you wouldn't do the same thing
I lost myself
I lost myself in loving you

I lost myself
I lost myself in loving you
