

# Jamie O'Hara, Beautiful Obsession

Never wanted anyone as much as I want you.  
For you there's nothin' I won't do.  
I live to love you, baby, this is my confession,  
You're my beautiful obsession.

Deep in my dreams at night I see your face.  
I'm in a fever when I wake.  
Your love consumes me, baby, this is my confession:  
You're my beautiful obsession.

My world is spinning 'round and 'round.  
My heart is pounding, can't slow down.  
My body's aching to hold you tight.  
My mind is racing, can't wait to see you tonight.  
Can't wait to see you tonight.

When we surrender to each other's kiss,  
And just the two of us exist,  
It's overwhelming, baby, this is my confession:  
You're my beautiful obsession.

My beautiful obsession.  
My beautiful obsession.  
Beautiful obsession.
