

Jamie O'Hara, I Surrender

Your love's in my blood,
Deep in my soul.
Can't fight it anymore,
You make me whole.

I surrender.
I surrender.
I surrender.

The touch of your hand,
Your dark, lonely kiss,
Has taken over my mind.
Who can resist? (I can't resist.)

I surrender.
I surrender.
I surrender.

I don't know who I am anymore.
The stars are all turning,
Waves rise and fall on the shore.
Such a terrible yearning,

I won't live without you.
My heart could not stand it,
I'll go where you go,
Love commands it,

I surrender.
I surrender.
I surrender.

I surrender.
(I surrender.)
