Jamie O'Hara, I Surrender

Your love's in my blood, Deep in my soul. Can't fight it anymore, You make me whole.

I surrender. I surrender. I surrender.

The touch of your hand, Your dark, lonely kiss, Has taken over my mind. Who can resist? (I can't resist.)

I surrender. I surrender. I surrender.

I don't know who I am anymore. The stars are all turning, Waves rise and fall on the shore. Such a terrible yearning,

I won't live without you. My heart could not stand it, I'll go where you go, Love commands it,

I surrender. I surrender. I surrender.

l surrender. (I surrender.)
