

Jamie O'Hara, Mantra

Your love is like a mantra,
Beating deep inside my heart.
Silent in the shadows,
Like a flame within the dark.
Your love is like a mantra,
No beginning and no end.
Leading me back home to you,
Again and again and again.

Your love is like a mantra,
Beating deep inside my heart.
Silent in the shadows,
Like a flame within the dark.
Your love is like a mantra,
No beginning and no end.
Leading me back home to you,
Again and again and again.
Leading me back home to you,
Again,
And again,
And again,
Again.
Again.
Again.
