

# Jamie O'Neal, Naive

How you been, boy you're lookin' good  
Are you still livin' down in Birmingham  
Funny how things didn't turn out like we thought they would  
Now here we are standin' face-to-face again  
Two old long lost friends  
Laughin' 'bout when we'd sing

"Born in the USA"  
And we'd scream it at the top of our lungs  
Remember how you'd always say  
You were gonna change the world  
And yeah, I would always be your girl  
And we dreamed about runnin' away  
Just takin' off and chasin' the sun  
Man, we really had it made  
We were young, in love and free  
And so naive, so naive

Where'd it go, all that crazy confidence  
You and me, not afraid to face a thing  
Wish we could go back and live again the hours spent  
In your car cruisin' like we owned the town  
Yeah, we'd turn that song up loud  
And we'd drown Bruce out singin'

"Born in the USA"  
And we'd scream it at the top of our lungs  
Remember how you'd always say  
You were gonna change the world  
And yeah, I would always be your girl  
And we dreamed about runnin' away  
Just takin' off and chasin' the sun  
Man, we really had it made  
We were young, in love and free  
And so naive, so naive

Na, na, na, na, na, na, na  
We were tender, we were green, so much we hadn't seen  
We were wide-eyed and innocent and so naive singin'

"Born in the USA"  
And we'd scream it at the top of our lungs  
Remember how you'd always say  
You were gonna change the world  
And yeah, I would always be your girl  
And we dreamed about runnin' away  
Just takin' off and chasin' the sun  
Man, we really had it made  
We were young, in love and free  
And so naive, so naive

Oh man, we really had it made  
We were so naive  
We were so naive
