

# Jamie Slocum, By Your Side

BY YOUR SIDE  
JAMIE SLOCUM

And I know there's a plan for you  
Your life has a purpose  
There's hope beyond your broken road  
Jesus set a place for you  
At the front of the table with the weary and the wounded  
And He's showing the way, the truth,  
the life for every day  
So when you lose your way

CHORUS:

Don't give up, don't give in  
This is a race that you can win  
Every time you get passed by  
There is a reason why  
God loves and believes in you  
He knows the pain that you're going  
through  
He's with you every step of the way  
And He's by your side

When your life comes crashing in  
You're a ship without a sail  
Everything you've tried has failed you  
Never thought you'd feel so sad  
It's a nightmare without end  
It's getting harder to defend it  
God will send his heavenly host to fight  
for you and help you walk on through it

CHORUS:

Don't give up, don't give in  
This is a race that you can win  
Every time you get passed by  
There is a reason why  
God loves and believes in you  
He knows the pain that you're going  
through  
He's with you every step of the way  
And He's by your side

By your side every day every night

CHORUS:

Don't give up, don't give in  
This is a race that you can win  
Every time you get passed by  
And you've lost your way

CHORUS:

Don't give up, don't give in  
This is a race that you can win  
Every time you get passed by  
There is a reason why  
God loves and believes in you  
He knows the pain that you're going  
through  
He's with you every step of the way

REPEAT CHORUS

Don't give up, don't give in

This is a race that you can win  
Every time you get passed by  
There is a reason why  
God loves and believes in you  
He knows the pain that you're going  
through  
He's with you every step of the way  
And He's by your side
