You know this boogie is for real  
I used to put my faith in worship  
But then my chance feels just too heaven sent  
I used to worry about the future  
But now I throw my caution to the wi-i-i-ind

I had no reason to be carefree  
No, no, no  
Until I took a trip to the other side of town  
Yeah, yeah, yeah  
You know I heard that boogie rhythm, hey!  
I had no choice but to get down, down, down, down

Dance! Whooo!  
Nothing left for me to do but dance  
All these bad times I'm going through  
Just dance!  
Got canned heat in my heels tonight, baby...  
Whoooooooo ohhh

I feel the thunder, see the lightning  
I know this anger's heaven sent  
So I've gotta hang out on my hang-ups  
'Cos on my boogie I feel so hell-bent hey, hey  
It's just an instant gut reaction, that I got  
I know I've never ever felt like this before  
I don't know what to do  
But then that is nothing new  
Stuck between hell and high water, me I'll kill to make it through, hey!

Dance, yeah  
Nothing left for me to do but dance!  
All these bad times I'm going through  
Just dance! hey  
Got canned heat in my heels tonight, baby...

You know this boogie is for real, gal  
So much canned heat in my heals, yeah  
Gonna dance, gonna dance my blues away tonight  
You know I'm gonna dance my blues away  
You know this boogie is for real, gal  
So much canned heat in my heals, yeah  
Gonna dance, gonna dance my blu-u-u-es awa-a-a-y toni-i-i-ght

Dance! Whooo!  
Nothing left for me to do but dance  
All these bad times I'm going through  
Just dance  
Got canned heat in my heels tonight, baby  
Whoooooooo ohhh

Dance, yeah  
Oh the nasty things that people say  
Dance, yeah  
But I'm gonna make it anyway  
Dance, yeah

Canned heat in my heels tonight, baby

You know that this boogie is for real  
Got so much canned heat in my heels  
Gonna dance, gonna dance my blues away tonight

Whooo!

You know, you know this boogie, this boogie is for real  
Got so much canned heat, canned heat in my heels...
