

# Jamiroquai, Virtual Insanity

Oh yeah, what we're living in (let me tell ya)  
It's a wonder man can eat at all  
When things are big that should be small  
Who can tell what magic spells we'll be doing for us  
And I'm giving all my love to this world  
Only to be told  
I can't see  
I can't breathe  
No more will we be  
And nothing's going to change the way we live  
Cos' we can always take but never give  
And now that things are changing for the worse,  
See, its a crazy world we're living in  
And I just can't see that half of us immersed in sin  
Is all we have to give these -

Futures made of virtual insanity now  
Always seem to, be govern'd by this love we have  
For useless, twisting, our new technology  
Oh, now there is no sound - for we all live underground

And I'm thinking what a mess we're in  
Hard to know where to begin  
If I could slip the sickly ties that earthly man has made  
And now every mother, can choose the colour  
Of her child  
That's not nature's way  
Well that's what they said yesterday  
There's nothing left to do but pray  
I think it's time I found a new religion  
Waoh - it's so insane  
To synthesize another strain  
There's something in these  
Futures that we have to be told.

Futures made of virtual insanity - now  
Always seem to, be govern'd by this love we have  
For useless, twisting, our new technology  
Oh, now there is no sound - for we all live underground

Now there is no sound  
If we all live underground  
And now it's virtual insanity  
Forget your virtual reality  
Oh, there's nothing so bad.  
I know yeah

Of this virtual insanity, we're livin in.  
Has got to change, yeah  
Things, will never be the same.  
And I can't go on  
While we're livin' in oh, oh virtual insanity  
Oh, this world, has got to change  
Cos I just, I just can't keep going on, it was virtual.  
Virtual insanity that we're livin' in, that we're livin' in  
That virtual insanity is what it is

Futures made of virtual insanity - now  
Always seem to, be govern'd by this love we have  
For useless, twisting, our new technology  
Oh, now there is no sound - for we all live underground

Living - Virtual Insanity  
Living - Virtual Insanity

Living - Virtual Insanity  
Living - Virtual Insanity

Virtual Insanity is what we're living in
