

Jan Howard, All The Time

All the time yes darling all the time tenderly and constantly I'll love you
Every day I'll prove it every way in happiness or in loneliness I'll love you
Other arms may tempt me but don't let that bother you
For even if they tempt me I'll never be untrue
All the time yes darling all the time
Through the years through smiles or tears I'll love you
Other arms may tempt me...
