

# Jan Howard, Beautiful People

La la la la la la la la la la...

You've just gotta be one of the most beautiful people in the whole wide world  
It's true it's true it's true and I love you

You're so easy to make conversation with  
A nobody else could please me that way

No one can say that you're a wall-flower  
Cause you've always got something groovy to say

You've just gotta be one of the most beautiful people in the whole wide world  
It's true it's true it's true and I love you

Talk about a girl with a sweet desposition you oughta have a room full of ribbons  
And wear 'em in the hair every day of the week for me

People turn around they know we're the luckiest people today in this old town  
It's no wonder that they kinda wonder if we're not the happiest could around

You've just gotta be one of the most beautiful people in the whole wide world  
It's true it's true it's true and I love you

La la la la la la la la la la...

You've just gotta be one of the most beautiful people in the whole wide world  
It's true it's true it's true and I love you I do I do I do I love you
