

Jan Howard, He's All I Got

Well I said friend don't take him he's all I got
Please don't take his love away from me
I'm a beggin' you friend don't take him he's all I got
He's everything in life I'll ever need
He is life oh when I want to live he's everything in life to me that life can give
He's my water when I need to drink
He's the first thought in my mind each time I try to think
Let me tell you now friend...

He's my finger oh when I want to feel
He's the only thing in life to me that's really real
He is love he's all the love I know
He can kiss the ground in the wintertime and make the flowers grow
Let me tell you now friend...
