

Jan Howard, That's Not My Problem Anymore

He's not my problem anymore it ended when he walked out the door
Now someone else must try to do all the things I couldn't do
But that's not my problem anymore that's not my problem anymore
It feels so good to get him off my mind unhappiness is all he left behind
And I never was quite sure what that boy was searching for
But that's not my problem anymore no that's not my problem anymore
It's someone else's problem now to keep him satisfied
And I hope she figures out of way and never has been tried
Someday he may be happy but I'll know for sure
But that's not my problem anymore it ended when he walked out the door
Now someone else must try to do all the things I couldn't do
But that's not my problem anymore that's not my problem anymore
