TOO MANY TEARDROPS TOO LATE

WITH WYNN STEWART

Writer Dave Burgess

You're too many teardrops too late too many teardrops too late

If you hadn't been untrue then I'd still be a loving you

But you're too many teardrops too late

I got your letter yesterday read every word you had to say

But I heard them all before they don't fool me anymore

And you're too many teardrops too late

You're too many teardrops...

My heart don't know what to do I still have this feeling for you

If I took you back again then you'd hurt me in the end

And you're too many teardrops too late

You're too many teardrops...
