

# Jan Howard, What Makes A Man Wander

Why do you like to roam you've got so much love at home

What makes a man wander what makes a man wander

The whistle of a train do something to your brain

What makes a man wander what makes a man wander

I know you love me as much as you ever could love anyone yet you're still gone

You come back and you vow that you settle down now then you're gone with the dawn

Why do you like to roam you've got so much love at home

What makes a man wander what makes a man wander

I know you love me as much...

What makes a man wander what makes a man wander
