

# Jane Monheit, Never Never Land

I know a place where dreams are born  
And time is never planned  
It's not on any chart  
You must find it with your heart  
Never never land

It might be miles beyond the road  
Or right there where you stand  
Just have an open mind  
And then suddenly you'll find  
Never never land

You'll have a treasure if you stay there  
More precious far than gold  
For once you have found your way there  
You can never, never grow old  
So come with me where dreams are born  
And time is never planned  
Just think of lovely things  
And your heart will fly on wings  
Forever  
In never never land
