

# Jane Monheit, Save Your Love For Me

Wish I knew  
Why I&#039;m so in love with you  
No one else in this world will do  
Darling please save your love for me

Run away  
If I were wise I&#039;d run away  
But like a fool I stay  
And pray you&#039;ll aave your love for me

I can feel it  
Even when you&#039;re not here  
Can&#039;t conceal it  
I really love you my dear  
And though I know no good  
Can come from loving you  
I can&#039;t do a thing I&#039;m so in love with you

So darling  
Help me please  
Have mercy on a fool like me  
I&#039;m so unwise but still I plead  
Darling please save you love for me

I can feel it  
Even when you&#039;re not here  
Can&#039;t conceal it  
I really love you my dear  
And though I know no good  
Can come from loving you  
I can&#039;t do a thing I&#039;m so in love with you

So darling help me please  
Have mercy on a fool like me  
I know I&#039;m lost but still I plead  
Darling please save your love for me

You can have fun with the crowd  
But for crying out loud  
Darling please save your love for me
