

Jane's Addiction, Kettle Whistle

What makes a kettle whistle?

What makes gold precious?

How come some people, they'll show you everything?

How come some people, they don't like nothing at all?

Well I know why...

We all want to be

Beautiful too...

Beautiful too...

What makes a baby cry?

What makes a poor baby older than a rich one?

And why do we need to belong to someone else...

Well I know why...

We all want to be...

Beautiful too...

Beautiful too...
