

# Jane's Addiction, My Time

Yeah the rain came  
I said hey buddy,  
Buddy the streets are a snake skin  
I belong  
Out there walkin'  
Nobody's stoppin' to bother me  
They hide  
Outside, the ceilings  
Cryin -  
Listen to the sound  
Of the gutters runnin'  
Wash this dirty town  
All fronts and no backs  
Give me my time  
Let me be  
Outside  
Under the ceiling  
Cryin'  
Yeah, all over me  
Cryin'  
Yeah, all over me

Outside you know  
I listen to the sounds  
Of the gutters runnin'  
Wash this dirty town  
All fronts and no backs  
Give me my time  
Let me be  
Outside  
Under the ceilings  
Cryin'  
Yeah, all over me  
Cryin'  
Yeah, all over me
