

# Jane Wiedlin, Rush Hour

Something's coming over me  
I'm so dizzy I can't see  
Can't make out the forest for the trees

My heart is beating faster now  
As the traffic's slowing down  
And suddenly I'm all alone with you

It's so good  
Baby when you're at the wheel  
I can't believe the way I feel  
It's such a rush  
Just being with you

chorus  
We're Driving in the Rush Hour  
(ooh you send me)  
You take me to the Rush Hour  
You got me in the Rush Hour

Feel it getting hot in here  
Feel me getting close to you dear  
Slow motion moving you, moving me

Now your lips are touching mine  
And in your eyes that certain shine  
Honey, I know just where you're taking me

It's so good  
Baby when you're at the wheel  
I can't believe the way I feel  
It's such a rush  
Just being with you

chorus  
chorus continues until fade out
