

Jane Wiedlin, Rush Hour

Something's coming over me
I'm so dizzy I can't see
Can't make out the forest for the trees

My heart is beating faster now
As the traffic's slowing down
And suddenly I'm all alone with you

It's so good
Baby when you're at the wheel
I can't believe the way I feel
It's such a rush
Just being with you

chorus
We're Driving in the Rush Hour
(ooh you send me)
You take me to the Rush Hour
You got me in the Rush Hour

Feel it getting hot in here
Feel me getting close to you dear
Slow motion moving you, moving me

Now your lips are touching mine
And in your eyes that certain shine
Honey, I know just where you're taking me

It's so good
Baby when you're at the wheel
I can't believe the way I feel
It's such a rush
Just being with you

chorus
chorus continues until fade out
