

Janelle Monae, PYNK

Pink like the inside of your, baby
pink behind all of the doors, crazy
pink like the tongue that goes down, maybe
pink like the paradise found
pink when you're blushing inside, baby
pink is that truth you can't hide, maybe
pink like the folds of your brain, crazy
Pink as we all go insane!

So, here we ae in the car
Leaving traces of us down the boulevard
I wanna fall through the stars
getting lost in the dark is my favorite part
let's count the ways we could make this last forever
sunny, money, keep it funky
touch your top and let it down

Some like that /3x
Cause boy it's cool if you got blue
we got the pink

Pink like the lips around your, maybe
Pink like the skin that's inder, baby
pink where it's deepest inside, crazy
pink before forest and things
Pink like the secret you hide, maybe
Pink like the lid of your eye, baby
Pink is where all of it starts, crazy
Pink like the holes of your heart

So, here we ae in the car
Leaving traces of us down the boulevard
I wanna fall through the stars
getting lost in the dark is my favorite part
let's count the ways we could make this last forever
sunny, money, keep it funky
touch your top and let it down

Some like that /3x
Cause boy it's cool if you got blue
we got the pink
/2x

Pink like the inside of your, baby
Pink like the walls and the doors, maybe
Pink like your fingers in my, maybe
pink is that truth you can't hide, maybe
pink like your tongue going around
pink like the Sun going down
pink like the hole in your heart
pink Is my favorite part
