Janet, Anything

Hold me

Kiss me

Show me

You wanna be with me

Feel me

Taste me

And maybe

I'll let you have me

[BRIDGE:]

When you do convince me

Can't turn back

I'll be your best

You know that good things don't come easy

[CHORUS:]

(hold me)

So are you ready

(kiss me)

To journéy

(show me)

Within me

(feel me)

I'll satisfy you

(taste me)

Ì will do anything

(have me)

You ask me to

(ask me)

Ànything

(with me)

Anything

[BŔIDGĔ]

[CHORUS (2x)]

For you

[BRÍDGE]

[CHORUS]

So are you ready

I will do anything

For you
