

# Janet, Better Days

I used to sit and wonder  
Would I ever be happy  
Life was so bittersweet  
So many disappointments  
Too many ups and downs for me  
When you live a nightmare  
It's hard to dream  
But sometimes life just isn't fair  
So why complain nobody cares  
And I don't wanna waste nobody's time  
So I'm  
I'm botu to change my vibe  
Today the sun's gonna shine  
Cause I made up my mind  
That today will be the start of better days  
Leavin old shit behind  
And move on with my life  
The blindfold's off my eyes  
And now all I see for me is better days  
Afraid of my reflection  
Tell me that's not me I see  
That's who I wanna be  
Stuck somewhere in the middle  
On half full or half empty  
Waiting for somebody to come and rescue me  
Can't let that petty attitude  
Start to jade my point of view  
Only thing that does is bring me down  
So I'm  
I'm botu to change my vibe  
Today the sun's gonna shine  
Cause I made up my mind  
That today will be the start of better days  
Leavin old shit behind  
And move on with my life  
The blindfold's off my eyes  
And now all I see for me is better days  
Hurt so many times before  
I used to cry but no more  
Let it go and life can feel  
So good  
Stop lying the blues  
Can't let that petty attitude  
Start to jade my point of view  
Only thing that does is bring me down  
So I'm  
I'm botu to change my vibe  
Today the sun's gonna shine  
Cause I made up my mind  
That today will be the start of better days  
Leavin old shit behind  
And move on with my life  
The blindfold's off my eyes  
And now all I see for me is better days
